Story Board for MMP

By: Brian Shevory

Wiki Homepage	Poll Everywhere	Tips for Checking For Understanding	Geddit: Checks for Understanding
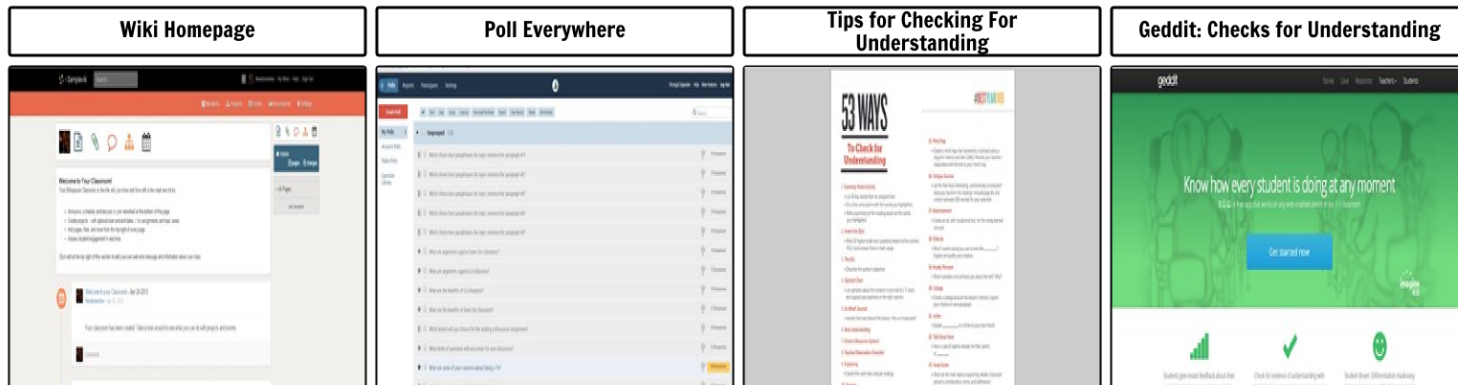

Created with Storyboard That for Brian Shevory

Description ✏️

Here is the storyboard I am proposing for the MMP. I have just taken screen shots of the different web pages and applications I plan to use. I plan to create a wikipage as a resource for teachers. This will contain links to resources on end of class assessment along with a screen cast of me using some of the applications like Poll Everywhere. I plan to create some other screen or podcasts that feature directions about these.

Storyboard Text

- Wiki Homepage
- Poll Everywhere
- Tips for Checking For Understanding
- Geddit: Checks for Understanding
